## BIOLOGICAL MASTER CODES

PLAYA DEL CARMEN

3.24 - 3.28. 2025

### SPECIAL RETREAT FEATURES

#### Meeting of the minds:

Daily block of time set aside for mastermind forum on building and developing private supply chain for food, goods, and water independence combining creative vision with practical project management and organizational skills with key collaborators and potential project partners.

#### Nervous system reset and regulation

Daily one-on-ones and group sessions with our nervous system coach and clinical practitioner including assessments and regulation education and guided exercises. Group workshop with TVM specialist Krystal Lynn Star for master recoding for the nervous system.

Biological reset with daily earthing sessions and workshops at the earthing clubhouse and beachfront including local majestic tree tour with introduction to the practice of tree hugging and the energetic and physiological benefits for grounding.

Participants learn to both feel grounded and be grounded and the differences between .

#### Nurture, feast then fast, and detox

Retreat goers will feast on the daily intermittent fasting raw menu as a key component in earthing clubhouse's detox program with gourmet nutrient dense culinary delights to support digestion, detox, rejuvenation, rest, and renewal.

After the midday intermittent feasting window all are on the fasting period combined with herbal and holistic detox regimens.

## BIOLOGICAL REPROGRAM

PLAYA DEL CARMEN

3.24 - 3.28. 2025

### SPECIAL RETREAT FEATURES

## Nervous system master codes rewrite with Krystal Lynn Starr

Join KrystalLynn Star, an Egyptian Priestess and Women Empowerment Coach, for a transformative and deeply relaxing session on the beach. KrystalLynn, known for her powerful retreats and spiritual pilgrimages, brings her unique expertise in the Triple Vagal Method (TVM) to help women shift from survival to thriving and activate their soul gifts.

TVM, the most potent nervous system recoding modality, works by releasing trauma from your fascia, organs, and DNA, helping your body process emotions from past events. This method creates space in your nervous system for deeper emotional stability, vitality, and joy. Experience firsthand how TVM can bring you balance, enhance your sense of safety, and make you a magnet for your desires.

#### ✨ Highlights of this session:

- Release deep-seated tension and trauma
- Restore emotional balance and find calm
  - Boost energy, creativity, and joy
- Gain clarity and focus for decisive action
  - Becoming a manifestation magnet

Come and experience a unique opportunity to receive a personalized evaluation of your nervous system and learn practical insights to maintain balance.
